

Do not miss our last **Art in Cincy visit!
Thursday May 9, 2019 (11am-1pm+lunch)
at the **Cincinnati Art Museum****

No Spectators: The Art of Burning Man

Paris 1900: The City of Entertainment

Come entertain yourself and be entertained!

In the first part of our visit, through room-sized installations, you will immerse yourself in The Art of Burning Man, one of the most influential participatory happenings in contemporary American art and culture that takes place every year in the Nevada desert.

The second part of our visit will take you back to La Belle Époque in 1900 Paris where many art forms cohabited with technological innovations against the backdrop of a vibrant and rapidly changing city and society. Ina and I have selected a few themes and artworks out of the 200 exhibited. If you have not yet seen the exhibition which closes on May 12 and would like to see it in its entirety, we recommend you to allow yourself more time to do it at your own pace after lunch. You will need a \$12 ticket for The Paris 1900 exhibition but it is free for museum members.

Drop us a line at artincincy@gmail.com **by April 30** to inform us that you are coming. We will reserve a table at the museum restaurant so please let us know if you will be staying for lunch. Looking forward to spending a fun time with you and with art.
